## OUR CLASS GUIDE

## **BEST RESULTS**

|                     |   | FITNESS | STRENGTH<br>AND TONE | WEIGHT-<br>LOSS | WELLNESS |
|---------------------|---|---------|----------------------|-----------------|----------|
| BATTLE GROUND       | Using the latest fitness technology, and scientifically proven progressive<br>programming, Battleground produces serious results. Our best personal<br>trainers will teach you the finer details of movement technique and help<br>you to achieve serious goals. You will move through Battleground<br>phases making noticeable changes in strength, fitness, and body<br>composition. Battleground is backed with the highest levels of support<br>and accountability from your coaches.<br>Bookings are essential for this class. |         |                      |                 |          |
| ΒΟϽΥϹΟΜΒΑΤ          | A high energy class that fuses moves from boxing, muay thai, karate and<br>other martial arts. Emphasising control and technique, the bodyweight<br>athletic combinations will challenge and shape your body. No<br>equipment necessary, and options for both low and high impact<br>movements are given in every class.  |         |                      |                 |          |
| BODYPUMP            | A non-impact class designed to give your body a complete workout using<br>barbells and light weights. You will burn calories and improve strength.  |         |                      |                 |          |
| LES MILLS<br>SPRINT | Sprint is a workout built on the science of HIIT — high intensity interval training. Using a stationary bike, it's a quick and intense style of training that returns rapid results with minimal joint impact.  |         |                      |                 |          |
| SUPER SENIORS       | Specially designed for the over-55s to safely maintain fitness, strength, and flexibility. Suitable for both veteran gym goers and new comers.  |         |                      |                 |          |
| YOGA                | A flowing and meditative class for healing and restoring balance within<br>the body, mind, and spirit. Improve muscle tone, flexibility, strength,<br>and stamina.  |         |                      |                 |          |
| CLUB FIESTA         | Club Fiesta is a fitness and exercise program disguised as fun. A blend of<br>simplified dance moves and traditional fitness exercises, Club Fiesta will<br>have you smiling while you sweat. Each routine has high and low impact<br>options which allow everyone to participate regardless of fitness level.  |         |                      |                 |          |
| RISE DANCE FIT      | A blend of Latin and International dance routines that creates a dynamic, exciting, and fun workout. A blend of fast and slow rhythms, and low and high intensity options, mean this class is suitable for all.   |         |                      |                 |          |

HIITCircuit Plus is a HIIT-based workout designed to improve strength and cardiovascular fitness, and build lean muscle. This workout uses a HIITCIRCUIT barbell, weight plates, a step, bodyweight, and motivating music to hit PLUS all major muscle groups. We round this workout out with the addition of targeted isolation exercises guaranteed to work your core and postural muscles.
